## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

The British Sundial Society exists to provide an educational benefit to the public. It is affiliated to the Royal Astronomical Society.

The Society's Objects are specifically to advance the education of the public in the science and art of sundials and dialling (otherwise known as gnomonics). Any surpluses in income are used in furtherance of the Society's objects.

The Trustees confirm that they have had regard to the Charity Commission's public benefit guidance where relevant.

The Society is a membership charity, open without restriction to any person whether UK-resident or not. Its trustees are unpaid. The cost of membership is maintained at the lowest viable rate and this serves to fund the main activities of the society which are:-

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

- Publishing periodic Bulletins, containing papers, letters and reviews or other material of interest concerning gnomonics.
- Maintaining and updating the two National Registers of known fixed sundials and of church mass dials which exist in the British Isles.
- Making available for sale to members, academic and heritage organisations approximately every five years, an updated complete National Register of sundials.
- Giving free advice to any member of the public on the preservation and restoration of existing dials and the construction of new ones.
- Suggesting the names of lecturers able to speak about sundials and related matters to any public forum.
- Operating an open award scheme to promote and recognise the best in design and construction of new sundials.
- Organising conferences, tours and visits related to the understanding and appreciation of sundials and dialling.
- Publishing books, booklets, monographs and leaflets on dialling and related matters.
- Maintaining a reference library of relevant books and documents devoted to dialling accessible to all members, plus members of the hosting library.
- Operating an interesting and free-to-all, educational web site devoted to dialling matters and including some copies of earlier Bulletin articles. Development of freely accessible pages, enabling location of sundials in any area, together with relevant history.
- Giving free advice to any member of the public wishing to understand and know more about sundials.
- Offering grants to UK residents to help toward the cost of restoration of publicly viewable dials.

The Society holds two meetings annually, which are open to members and non-members alike and which are advertised both nationally and internationally:-

- 1) A one-day meeting, habitually held in rural Berkshire, involves a voluntary entry fee of around £10, which goes to cover venue hire and refreshments.
- 2) A three day/two night residential weekend conference. As the membership is widely dispersed over the country, it is held at changing locations, so as to equalise easier and cheaper access. Its charges are set to meet the cost at an expected level of attendance. Day rate charges (that is attendance without accommodation) are offered for those who might be local to the event or for those wishing to make use of alternative or cheaper local accommodation.

**Summary of the main achievements of the charity during the year**

Provided materials and session leaders for the Festival of Ancient and Modern Science at Cheney School, Oxford.

Technical advice and support for the restoration of a sundial in the public domain at Christchurch Park, Ipswich.

Research notes relating to local sundials have been deposited with heritage organisations in Rutland and North Ayrshire.

A series of accessible public guided tours in Cambridge, covering astronomical science, mathematics and history.

A 'human' sundial was designed and built for Alleyn's Junior School, Dulwich.

A temporary 'human' sundial was made on Crosby Beach, Liverpool, generating local engagement with individuals, local media and a school.

Design and technical support given for a restoration carried out by Didsbury Parsonage Trust, (Manchester) at their community building.

A reporting mechanism for publicising the details of stolen sundials was kept available for use.

## Section E Financial review

**Brief statement of the charity's policy on reserves**

The Society constitutionally maintains both Unrestricted and Restricted Reserves, according to the policy set out in CC19. The Andrew Somerville Memorial Allocation contains some historic donations to the BSS. Expenses to the allocation include the annual Somerville Lecture, research and dial restoration grants.

Unrestricted reserves are maintained to provide a buffer for unforeseen operational costs, against uncertainties in income and to provide cover for troughs in the cash budget and for foreseeable expenses and asset replacement.

The Trustees are keeping in balance with the above contingencies the need to expand its digital presence; also the need to address the demographic flow impacting the membership. The designations by which unreserved funds are allocated and maintained are kept under review

**Details of any funds materially in deficit**

N/A

**Further financial review details (Optional information)**

You **may choose** to include additional information, where relevant about:

## INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS

Report to the trustees/members of The British Sundial Society on the accounts for the year ended 31st December 2016 which have been set out on pages 5 to 11.

### Respective responsibilities of trustees and examiner

The organisation's trustees are responsible for the preparation of the accounts. The organisation's trustees consider that an audit is not required for this period (under section 144(2) of the Charities Act 2011 (the Act)), and that an independent examination is needed.

It is my responsibility to:

- examine the accounts (under section 145 of the Act);
- follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 145(5)(b) of the Act); and
- state whether particular matters have come to my attention.

### Basis of independent examiner's statement

My examination was carried out in accordance with General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the organisation and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

### Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 130 of the 2011 Act as amended; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Acthave not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**Trustees' Responsibilities**

The Charities Act 2011 requires the trustees to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the trust and of the surplus or deficit of the trust for that period. In preparing those financial statements the trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare financial statements on the going concern basis unless it is inappropriate to presume that the trust will continue in existence;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.

The trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the trust. They are also responsible for safeguarding the assets of the trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

These accounts were approved by the Trustees of the CIO on the 16<sup>TH</sup> FEBRUARY 2017 and signed on their behalf by:

Signed Frank H. King ..... Dr. F. King, Chairman.

Signed [Signature] ..... G. Stapleton, Treasurer.

The trustees have also examined other operational and business risks which they face and confirm that they have established systems to mitigate the significant risks.

**NOTES TO THE FINANCIAL STATEMENTS (continued)**  
**FOR THE YEAR ENDED 31ST DECEMBER 2016**

**12. RESERVES POLICY**

The trustees have considered the level of reserves they wish to retain appropriate to the charity's needs. This is based on the charity's size and the level of financial commitments held. The trustees aim to ensure the charity will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. The trustees will endeavour not to set aside funds unnecessarily.

**13. PUBLIC BENEFIT**

The charity acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. Details of how the charity has achieved this are provided in the Trustees' report. The trustees confirm that they have paid due regard to the Charity Commission guidance on public benefit before deciding what activities the charity should undertake.

**14. CHARITABLE INCORPORATED ORGANISATION (CIO)**
